

Food 4 Kids

We are pleased to announce the Food 4 Kids Meal Program for K-12 will have the first delivery on Friday, September 16, 2022.

- The purpose of the program is to provide food for your school age child during the weekend when school breakfasts and lunches are not available.
- If you choose to enroll your child, he/she will receive a bag each Friday with enough food for breakfast and lunch for him/her for Saturday and

Sunday. The food is at NO COST to you or your child.

- Schedule will change due to Holidays, etc and food will be distributed on the last scheduled school day.
- Please return the attached registration form to your student's school if you are interested in receiving F4K Meals for your student. Please complete a form for each student you wish to enroll in F4K.
- We are sorry that, at this time, we are unable to provide Kid's Meals to those students who have food allergies.
- Please note that in the program some of the foods may be past the Best Before dates. Best Before dates do not mean a product is expired, view guidelines at http://www.fsis.usda.gov/Fact_Sheets/Food_Product_Dating/index.asp
- If you have any questions or concerns, please feel free to contact Hayward Community Food Shelf 715-634-4237
- ***Please note that if your child is mishandling food on bus or school grounds they may be suspended from the program. Inappropriate behavior may (or will) jeopardize the program for other students who depend on it.***

Please return bottom portion to school with your student
